

IMPORTANT: This instructions list exists to help you find installation instructions for your vehicle. It is not an accessory application chart. Information is not broken down by model code or trim level. For applications information, please consult the following sources:

For current year application information, visit the Fixed Ops - Marketing section of Subarunet. Click on "Accessories" and then on the applicable "Warehouse Price List" file.

For past model year application information, use accessory brochures (also available on the Fixed Ops-Marketing section of Subarunet) or contact the Parts Information Coordinators (PICs) at 1-866-SUBARU2.
